INVITATION

Dear Students,

We are honored to invite you to the professional **INTERCONNECTION TECHNIQUES IN ELECTRONICS (TIE)** student contest, eighteenth edition, which will take place in Galati, April 9-12, 2009. This is the first time when a national student competition in the electronics and communications engineering domain is organized in Galati.

This national student competition is organized by the ["Dunarea de Jos" University of Galati - Faculty of Electrical and Electronics Engineering](#), [Faculty of Computer Science](#) and ["Politehnica" University of Bucharest- Faculty of Electronics, Telecommunications and Information Technology](#), [Center for Technological Electronics and Interconnection Techniques](#) with support of the [Management Agency for Scientific Research, Innovation and Technological Transfer - University "Politehnica" of Bucharest CPMT Society Student Branch Chapter](#).

The purpose of this competition is to promote technological computer-aided design (CAE-CAD-CAM) of electronic modules. The competition brings together students from several Academic Centers and is open to all passionate students in the above domain and not only.

From the organizing point of view, the TIE 2009 aims to promote the spirit of competitiveness and professionalism among students interested in the electronics packaging.

TIE 2009 will take place during March-April 2009, local stages taking place in each Academic Center during all month of March 2009. Final phase, in which will attend the first classified students of the local phase, will be held between 9-12 April 2009, in Galati.

Any student can participate to the contest, regardless of faculty, who has knowledge on Computer Aided Design software in the field.

For further details, please contact the President of the Local Committee Prof. [Laurentiu FRANGU](#), PhD., Eng., and the responsible of the Organizing Committee TIE 2009, [Aurel Cristinel Craciun](#)).
