

THIRD ANNOUNCEMENT AND CALL FOR PAPERS

THE FIRST INTERNATIONAL SYMPOSIUM ON ELECTRICAL AND ELECTRONICS ENGINEERING

- ISEEE 2006 -

**13-14 October 2006, GALAȚI,
ROMANIA**

ORGANIZED BY

Ministry of Education and Research of Romania
"Dunărea de Jos" University of Galați
Faculty of Electrical and Electronics Engineering

In cooperation with

- ASTR - Technical Academy of Science, Romania
- SDFEE Galati
- RETEC S.A.- Galati

INVITATION

The Faculty of Electrical Engineering and Electronics invites researchers, professionals, master and PhD students to participate at the ISEEE-2006, **The 1st INTERNATIONAL SYMPOSIUM ON ELECTRICAL AND ELECTRONICS ENGINEERING**, which will be held at the "Dunărea de Jos" University of Galați, Romania.

Galați is located in the eastern part of Romania. It can be reached easily by train or by car from Bucharest, the capital of Romania.

The **symposium** is intended as an international forum where an effective exchange of knowledge and experience amongst researchers active in various theoretical and applied areas of electrical and electronics engineering, power electronics and telecommunications can take place.

The **objective** of the first symposium is oriented but not limited to the paradigm of interdependency between electrical and electronic systems.

The **working language** of the conference is English.

IMPORTANT DEADLINES

May 15, 2006: Submission of full papers (of 4 or 6 pages) as pdf files

June 30, 2006: Notification of acceptance and further details.

August 30, 2006: Camera-ready version of the accepted papers and registration form.

TOPICS

Contributions are welcome in both theoretical developments and practical implementations in all areas involving electrical and electronics engineering. Topics within the scope of the symposium will include:

Power Electronics and Electrical Drives

Power Systems

Hybrid Systems

Renewable Energies

Instrumentation and Measurements

Electromagnetic compatibility

Electrical Circuits

Signal Processing

Electronic Circuits and Systems

Image, Speech and Audio Signal Processing

Communications

Embedded Systems

Computational Intelligence

Autonomous and Intelligent Systems

Modeling and Simulation

Information Processing and Engineering

Data Transmissions

Virtual reality

Tutorials: A number of tutorials will be organized.

Special Sessions and Student Sessions are also considered and encouraged by free-of-charge policy.

PROCEEDINGS

All accepted papers will be published in the Symposium Proceeding Book with ISBN. Selected papers will be published in a special section of the Annals of the "Dunărea de Jos" Galati University.

SYMPOSIUM FEES

Registration fee: 100 RON. The fee covers:

- a hardcopy of the proceedings;
- free access to the professional development seminars and tutorials, including materials;
- all coffee and tea during the morning and afternoon breaks;
- lunches during the full symposium days;
- the social events for one person.

No fee for PhD and master students, if they are the first authors. They are welcome to all scientific activities during the symposium and will receive a CD-ROM with the papers of the symposium.

SOCIAL ACTIVITIES

The social activities will include: Welcome cocktail, Banquet and Trip on Danube
